

The AIG Advantage

Product Offering

- AIG offers Accident & Health (A&H) insurance products that can be tailored to fit the needs of a wide variety of clients, from small and medium-sized enterprises to large multinational corporations to strategic partnerships (B2B2C).
 - Our group offering includes Group Personal Accident (GPA), Business Travel Accident (BTA), Expatriate Medical and Supplemental Health products.
 - Our individual offering includes Accidental Death / Disablement; Hospital Cash; Critical Illness and Cancer; Credit, Bill & Living Expense Protection; and more.
- Our exceptional Multinational offering makes AIG one of the few carriers who can structure a BTA Controlled Master Program, acting as a centralized underwriter in cases where multinational employers must fill local policy requirements.
- Our solutions include market-leading health and wellbeing services, including Virtual Medical Care Case Management with a focus on preventative health.

Local Expertise, Global Reach

- AIG has over 50 years of experience in the A&H market. Our presence in over 200 territories gives us broad market expertise and the ability to keep clients covered as they travel the globe.
- Our global network includes 500+ experienced Multinational service professionals and top-tier local insurers, and we have Personal Accident and Travel underwriters on the ground in over 30 countries across EMEA.
- We know that no two risk scenarios are the same, and we specialize in creative solutions to meet the challenges of every location. Our program design teams are experienced in crafting specialist wording that complies with local laws and regulations.
- We built our reputation by being a sustainable broker partner. Many of our client relationships span over 20 years and we take great pride in building long-lasting, successful partnerships.

Claims Capabilities

- The AIG Claims Team handle thousands of injury payments a year, from minor to life-altering conditions.
- Once a claim is confirmed we start making payments immediately, aligned to our market competitive Service Level Agreement, to help clients on the road to recovery as soon as possible.
- We provide market-leading people risk and emergency assistance services through AIG Travel or via service assistance companies supporting specific territories.
- We offer complete alignment of claims and assistance services.
- Our telemedicine solution AIG Virtual Care includes on-demand care solutions and connections to leading healthcare and wellness professionals — so our clients can access the care they need, when and where they need it.

Travel Assistance

- Our travel assistance app 'AIG Travel' includes resources to help employees abroad find local healthcare providers, identify drug brand equivalents, and translate medical terms into foreign languages.
- The 'AIG Travel' app features award-winning pre-trip awareness training, a 'One Touch Help Button' offering 24 / 7 assistance, and country and city guides with information about local political conditions, security issues, cultural differences, and health advisories.
- Employers can access the app's check-in function to confirm when their employees have arrived safely.

Risk Appetite By Industry

AIG underwrites industries that constitute 99% of the employee population.

AIG is the marketing name for the worldwide property-casualty, life and retirement, and general insurance operations of American International Group, Inc. For additional information, please visit our website at www.aig.com. All products and services are written or provided by subsidiaries or affiliates of American International Group, Inc. Products or services may not be available in all countries and jurisdictions, and coverage is subject to underwriting requirements and actual policy language. Non-insurance products and services may be provided by independent third parties. Certain property-casualty coverages may be provided by a surplus lines insurer. Surplus lines insurers do not generally participate in state guaranty funds, and insureds are therefore not protected by such funds.
